## Authorised Representative No. 1251662

I am a Sub Authorised Representative and consultant to First National Home Loans & Insurance Pty Ltd ("the Practice") which is a Corporate Authorised Representative (No. 354434) of Alliance Wealth Pty Ltd (Alliance Wealth).

I have worked in the financial services industry since 2017 and became an adviser of Alliance Wealth on 3 February 2017. I am also a Financial Planner Member of the FPA.

I hold the following qualifications:

- Diploma of Financial Planning

## Your Best Interests

I will act in your best interests at all times and I am bound by the law and the Alliance Wealth Code of Conduct. I am committed to providing you with quality financial advice and a wide choice of products and/or services to suit your individual circumstances.

## Services I Can Provide

I can provide financial advice and deal in financial products in relation to the following areas:

- Risk Insurance

## My Remuneration

The cost of providing a financial advice service to you including initial consultation, strategy development, product considerations and a Statement of Advice including implementation of that advice will depend upon the nature and complexity of the advice and or service provided. Fees for my advice and services may be based on either a fee for service arrangement, commission or a combination of both.

The relationship between Alliance Wealth and the Practice is arranged through a flat fee agreement. This agreement stipulates that 100% of remuneration is paid to the Practice. Therefore Alliance Wealth will retain 0% and the Practice will receive 100%.

I may charge an adviser service fee based on a percentage of funds invested and/or an agreed ongoing service fee.

If I receive upfront commission for insurance products I am able to receive 0.00% to 130.00% on the premium of the insurance. If I receive ongoing commission for insurance products I am able to receive 0.00% to 35.00% on the premium of the insurance. This is not applicable where insurance is placed as a group risk policy inside superannuation or where the policy is for the benefit of the member of a default fund.

The following examples illustrate how the fees and commissions are calculated.

With a flat Statement of Advice fee of \$1,000, Alliance Wealth would retain \$0 and the Practice would receive \$1,000.

On a \$1,000 annual insurance premium with an upfront commission of 130%, the product provider would pay Alliance Wealth \$1,300 and Alliance Wealth would retain \$0 and the Practice would receive \$1,300. These amounts are not an additional cost to you.

Prior to preparing any advice or providing financial services to you, we will discuss and agree upon all fees that will apply.

## My Referral Arrangements

If a third party refers you, the referrer may receive a fee or a percentage of my fees and commission. I may also receive a referral fee should I refer you to a third party for ancillary advice. This is not an additional cost to you.

Any referral payments made or received will be disclosed in the advice document that is provided to you.
